

Qualification Record

This is to certify that

after an audit of the quality assurance system on 26th of November, 2024
(report No. 600011087) on the basis of KTA-1401 .

KSB Pegnitz Gießerei

**Bahnhofsplatz 1
91257 Pegnitz
Germany**

Vendor No. 8980010

has been qualified with regard to system- and product-related quality assurance for the following scope:

**Production of castings made of cast steel, high-alloy cast steel
and nickel-based alloys for pumps and valves in nuclear facilities**

This certificate applies to order processing in accordance with KTA1401 until
November 25th, 2027.

Base: The audit was conducted on the basis of the Integrated Management System Manual Rev.04 dated 22.02.2024 and the supplementary process description ZN 57008 Rev. 16 dated 27.01.2020 "Procedure for the Pegnitz foundry" Chapter 7.7 'Order processing for castings for nuclear facilities.

All changes to the Quality Assurance System have to be accepted by KSB QM Energy prior to their implementation. Otherwise, the validity of the Qualification Record shall become invalid.
